

Certified Health and Safety Management System

As of August 2022, our 45 domestic sites and 16 overseas production subsidiaries established a health and safety management system with ISO 45001 certification. By conducting reviews for certification regularly, we check the progress of our health and safety management and make necessary improvements.

Classification		Target	ISO45001 certified	Percentage
Domestic	Production plants/bases ¹⁾	16	16	100%
	Parts business sites ²⁾	29	29	100%
Overseas	Production companies ³⁾	19	16	84%
Total		64	61	95%

1) New production bases are excluded from the target base

2) Included HQ, logistics centers (5 sites), Parts office (22 sites), Cheonan Stockpile Warehouse

3) A joint venture is excluded from the target base
